

**NOTICE TO ALL SHOOTERS - MATCH & SPORTING RIFLE
CANADIAN SHOOTING SPORTS ASSOCIATION
LAKESHORE SMALLBORE ASSOCIATION
2014-2015 WINTER MATCHES**

Last winter's match was another good year for our matches - and we're getting set up for another season. We expect to have Galt back after their renovations - and two clubs have been added to our list of host ranges (Burlington Rifle & Revolver Club and Peel County Fish & Game - for brevity I'll call them BR&RC and Peel). Peel will only be operating Air Rifle and Air Pistol for now. Please take it easy on them while they learn the ropes - and we hope they enjoy the matches.

Note that the ISSF implemented a number of rule changes at the beginning of 2013. The main one we are implementing is the 3-Position sequence (now Kneeling, Prone, Standing). Sporting Rifle 3-Position will still be Prone, Standing, Kneeling. Time limits were changed as well but since we already use less than the old ISSF limits and have to shoot in 20 shot blocks we will not be adopting these. Since we operate somewhat informally we do not plan to rigorously enforce equipment limitations - but we recommend that competitors comply with them so they are prepared when they compete at the Nationals or in International matches.

Pioneer's squadding: Saturday will be strictly 30 minute relays (ISSF Prone, Sporting and Hunting Rifle) with squads at 9, 11, 1, and 3; Sunday morning at 9:00AM will be an ISSF 3-Position Squad running till 2:00PM (with other disciplines fitted in); then a single squad from 2:00-4:00. On their Airgun range there will be squads at 9:00, 11:30, and 2:00 both Saturday and Sunday.

At the RA club in Ottawa: on Saturday all .22 smallbore disciplines can be fired at 9, 11:30, and 2: Sunday at 8:45 and 10:45 will be smallbore Prone only; Sunday at 1:00PM and 3:00PM will be Air Rifle and Air Pistol only.

Durham shoot .22 Friday night at 6:00 pm ; Air Rifle and Pistol Sunday night at 7:00 pm. (Could shoot .22 **OR** Air on Monday night at 7:00 pm if had a full relay - need to know in advance)

As noted above Peel will be shooting Air Rifle and Air Pistol only - contact the local co-ordinator for relay times and reservations.

East Elgin will be operating on Sundays only - contact Tim Harvey.

BR&RC will be operating two relays Sunday morning - contact John Campeau.

As things stand we'll have 12 ranges hosting the matches. The main matches (1-6, 9-11) will run as usual at Pioneer, Ottawa, Durham, Peterborough, Port Elgin, Kincardine, Owen Sound, St. Catharines, East Elgin, BR&RC, and Peel (air only), The .22 silhouette matches (7 & 8) are fired mainly at the Galt Sportsmen range, Port Elgin, and Kincardine. If any other clubs would like to experiment with silhouette please get in touch with Garry Folkard or Harold Frey for information on match rules, targets, etc.. as I know very little about this match.

Two points should be noted: our matches are to be fired on paper targets; we feel electronic targets create an uneven playing field and any scores fired on them will be for honor only (and can be used only if the host club can integrate them into the schedule without problems). And the new time limits introduced by the ISSF will not be used (at least for this winter).

NOTE: NOT ALL RANGES WILL BE OPERATING AIR PISTOL AND HUNTING RIFLE. CALL THE LOCAL CO-ORDINATOR AHEAD OF TIME TO CHECK IF YOU WISH TO SHOOT EITHER EVENT.

* If a competitor specifies it before firing any targets he/she can use the 40 shot Prone stage of Match #1 as part of Match #2A; thus firing Matches #1, 2A and 2B with 200 shots.

Re ISSF Sport Rifle for Ladies: if the competitor is firing the ISSF 3-Position course using an ISSF Sport Rifle this match is fired concurrently: using the first 20 shots of each stage - and there will be no entry fee.

RULES: This match is registered with the SFC and SFC rules will apply.

TIME LIMITS: (These are the same as used for the Indoor Championships):

SPORTING RIFLE: 30 minutes for 20 shots PRONE, STANDING or KNEELING

ISSF EVENTS: 30 minutes for 20 shots PRONE
40 minutes for 20 shots STANDING
35 minutes for 20 shots KNEELING

AIR RIFLE/PISTOL: 40 minutes for 20 shots (with fixed targets)
105 minutes for 60 shots (with target carriers)

SFC classifications will apply in this match; in their absence NRA International 3-Position classifications will be given limited recognition in Matches 1 to 4 and 9. Unclassified shooters will normally be temporarily placed in the Expert class; but we reserve the right to assign an unclassified shooter to the Master class if we feel this is warranted.

Classified shooters will retain the classification possessed at the first match entered even if upgraded by the SFC during the winter; unclassified shooters will switch to their true classification if assigned one by the SFC before the March match.

JUNIORS are competitors who have not reached their 16th birthday as of December 31, 2014; International Juniors are competitors who have not reached their 21st birthday as of December 31, 2014. Sporting Rifle - Matches 5 & 6 will use both categories; ISSF events - Matches 1 to 4 and 9 use International Junior category only. VETERANS are competitors who have reached their 55th birthday as of December 31, 2014,

CHALLENGES: Normal challenge procedure will be followed - Match Committees to resolve disputed scores will normally consist of 3 officials or shooters not involved in the dispute. The Challenge Fee will be \$1.00.

AWARDS: In all matches trophies will not be awarded for the individual matches each month, but at the end of the season awards will be presented to the top shooters on the winter as a whole. To be eligible a shooter must compete in at least 3 of the matches; if more than 3 matches are fired the best 3 scores will be counted. Thus a shooter can miss 2 matches and still be eligible, but will improve his/her chances if he/she competes in either 4 or all 5 tournaments.

In all matches Firsts (plaques) will be awarded in all applicable classes (see the COURSES OF FIRE above); seconds (medals) will be awarded in all classes with three or more competitors eligible; thirds (medals) in all classes with six or more competitors eligible. (We reserve the right to combine classes if a match has more than one class with only one or two competitors.)

~~MEMBERSHIPS: Competitors must be CSSA members or members of the Federation Quebecoise de Tir. SFC membership is not mandatory but is recommended; it is necessary to validate classification cards. Both CSSA & SFC may be joined at the match.~~

RESERVATIONS: These are important and we urge you to make them if at all possible. If you come without one we will do our best to accommodate you - but range space is limited. And if you do have a reservation please be at the range in good time - say 30 minutes before squad starting time - or you may lose your spot to a post entry. When sending in your entry form please indicate a second choice of squad if at all possible - just in case your first choice is already filled. And please get your reservations in early. Post entries will be accepted if space is available.
